

CURRICULUM VITAE
Brian Lawrence Cmolik, M.D., FACS

Business: Chief, Surgical Service, Louis Stokes Cleveland Veterans Affairs Medical Center
Surgical Service 112W
10701 East Blvd.
Cleveland, Ohio 44106 email: brian.cmolik@va.gov

Education:

Undergraduate:

Xavier University, Cincinnati, Ohio
August 1975-May 1979
Bachelor of Science, cum Laude
Major: Chemistry
University Scholars Honors Program

Medical Education:

Northeastern Ohio Medical University, Rootstown, Ohio
August 1981-May 1985
Doctor of Medicine

Postgraduate Training:

Youngstown Hospital Association Department of Pathology
Summer Fellowship in Anatomic Pathology
May 1982-August 1983
Ludwig Deppish, M.D. supervisor

Allegheny Singer Research Institute
Fellowship in Thoracic Organ Transplantation and Thoracic Research
July 1991-June 1992
Richard E. Clark, M.D., James A Magovern, M.D. supervisors

Residency Training:

Allegheny General Hospital, The Medical College of Pennsylvania

Resident in General Surgery
July 1985-June 1989

Administrative Chief Resident in General Surgery
July 1989-June 1990

Resident in Thoracic Surgery
July 1990-June 1991

Administrative Chief Resident in Thoracic Surgery
July 1992-June 1993

Medical Licensure:

Commonwealth of Pennsylvania (MD037530E) inactive

State of Ohio (35-06-5113) 1993-present

Certifications:

National Board of Medical Examiners (1986)

Certification Number: 306977

American Board of Surgery (1991)

Number: 36513

American Board of Thoracic Surgery (1995)

Number: 5621

Recertified 2005 Certificate Number 5621

Recertified 2014 Certificate Number 5621

Academic Appointments:

Clinical Assistant Professor of Surgery 1993-2016

Division of Cardiothoracic Surgery

Case Western Reserve University School of Medicine

Associate Professor of Surgery 2016-present

Division of Cardiothoracic Surgery

Case Western Reserve University School of Medicine

Employment:

Standard Oil of Ohio Inc., Warrensville Heights, Ohio

Chemist Assistant-Geochemical Exploration Research
May-August 1977, May-August 1978
Malcolm Wood B.S., M.S. supervisor

Chemist 1, Polyolefin Catalyst Research
May 1978-August 1981
Kenneth Benton, Ph.D. supervisor

Chemist 1, microbiological oilfield modeling research
May 1982-Sept. 1982
Michael Griffith PhD. Supervisor

University Cardiothoracic Surgical Group Inc., Cleveland, Ohio

July 1993-December 1999
Cardiothoracic Surgeon

University Cardiac and Thoracic Surgical Group, Inc., Cleveland, Ohio

January 2000-November 2006
Cardiothoracic Surgeon

Administrative Appointments:

Medical Director of Cardiac Surgical Services,
St John Westshore Hospital, Westlake, Ohio 2003-06

Chief, Section of Cardiothoracic Surgery
Louis Stokes Veteran's Affairs Medical Center 2006-present

Associate Chief of Surgery
Louis Stokes Veterans Affairs Medical Center 2009-2012

Acting Chief of Surgery
Louis Stokes VAMC, Cleveland, OH 2012- June 2013

Chief, Surgical Service
Louis Stokes VAMS, Cleveland, OH, June 2013-present

Research/Funding:

Ohio Board of Regents Research Initiation Grant:
Skeletal Muscle Cardiac Assist
2/15/95-1/31/96
TDC: \$7,700

American Heart Association Northeastern Ohio Affiliate Grant-in Aid:
“Peristaltic Aortomyoplasty for Cardiac Assist”
7/1/95-6/31/97
TDC: \$59,904

American Heart Association Northeastern Ohio Affiliate:
Summer Medical Student Fellowship
Aleksandr L. Rovner, 6/1/95-8/15/95
Optimizing Muscle Stimulation for Aortomyoplasty

The Whitaker Foundation (co-Investigator)
An Advanced Multipoint Stimulator for Cardiomyoplasty
3/1/97-6/30/98
TDC: \$179,604

Department of Veterans Affairs MERIT Review Grant
Safety and Efficacy of Aortomyoplasty for Long Term Counterpulsation
4/1/98-3/31/01
\$206,900

Genzyme Corporation (primary investigator at University Hospitals of Cleveland)
A Phase I, Double –blind, Placebo Controlled, Escalating Dose, Multi-center
Study of Ad2/Hypoxia Inducible Factor (HIF)-1 α /VP16 Gene Transfer
Administered by Intramyocardial Injection During Coronary Artery Bypass
Grafting (CABG) in Patients with Areas of Viable and Underperfused
Myocardium not Amenable to Bypass Grafting or Percutaneous Intervention. Per
patient charges 2003-05

Department of Veterans Affairs ROOBY TRAIL, VA Cooperative Study #517
“Outcomes Following Myocardial Revascularization with and without
Cardiopulmonary Bypass” (co-investigator Cleveland VAMC) 2000-05

(PRIMO-CABG II) A multicenter, Randomized, Double-Blind, Parallel-Group,
Placebo-Controlled Study of 2mg/kg Bolus Plus 24-hour 0.05 mg/kg/hr. Infusion
of Pexelizumab in Patients Undergoing Coronary Artery Bypass Grafting with
Cardiopulmonary Bypass (co-investigator University Hospitals of Cleveland)
sponsor: Proctor and Gamble Inc. 1998-2003

(STITCH TRIAL) Surgical Treatment for Ischemic Heart Failure (co-investigator
University Hospitals of Cleveland) sponsor: The National Heart, Lung and Blood
Institute 1999-2004

A Phase 2 Randomized, Double-Blind, Placebo Controlled Study of the Safety and Efficacy of Human Recombinant Soluble Complement Receptor Type I (TP10) in Adult Women Undergoing Coronary Artery Bypass Surgery. (Co- Investigator at University Hospitals of Cleveland) Sponsor: Avant Inc. 2002-2006

Clinical Trial of On-X Valve Using Low Dose Anticoagulation, (Principal Investigator University Hospitals of Cleveland), sponsor: Medical Carbon Research Institute (pre patient charges) 2008-2012

Ex-vivo characterization of a Micro fabricated Artificial Lung. VA Merit Review, Rehabilitation Research and Development 2011-2013 (co-investigator)

Towards portable microchannel artificial lungs for veteran rehabilitation. VA merit Review, Rehabilitation Research and Development. (Co-investigator) 2015-17, \$824,977 (estimate)

International Study of Comparative Health Effectiveness with Medical and Invasive Approaches (ISCHEMIA) Trial, Site investigator (surgical) Louis Stokes VAMC Cleveland, OH, Jan 2013-present

VACARDS CSP#557 “VA Coronary Artery Revascularization in Diabetes Study” Primary Investigator, Louis Stokes Cleveland VAMC (Site Primary Investigator) 2007-2010

CSP#588 Randomized Endo-Vein Graft Prospective-REGROUP TRIAL, Site Primary Investigator 2012-present

Hospital Appointments:

University Hospitals of Cleveland 1993-2006
11100 Euclid Ave.
Cleveland, Ohio 44106 Active Staff

Veterans Affairs Medical Center, Wade Park 1993-present
Cleveland, Ohio, Active Staff

Metro health Medical Center 1993-98
Cleveland, Ohio, Active Staff

Southwest General Health Center 1998-2006
Middleburgh Heights, Ohio, Active Staff

Mt. Sinai Hospital 1996-closing
Cleveland, Ohio, Provisional Active Staff

St. John Westshore Hospital 1999-2006
Westlake, Ohio Active Staff

Community Health Partners 2003-2006

Lorain, Ohio Courtesy Staff

Service:

Graduate Medical Education Committee 1989-90
Medical College of Pennsylvania, Allegheny Campus

Pharmacy and Therapeutics Committee, 1991-92
Allegheny General Hospital, Pittsburgh, Pa

Joint Clinical Care Committee, 1992-93
Allegheny General Hospital, Pittsburgh, Pa.

Department of Surgery Review and Promotions Committee 1993-1996
Case Western Reserve University, Cleveland, OH

Medical Records Committee 1994-97
Louis Stokes VAMC

Institutional Review Board for Human Investigation 1996-99
University Hospitals of Cleveland, Cleveland, OH

Consultant, "Mechanical Organs-Artificial Hearts" 1995-96 Great Lakes Museum
of Science, Environment and Technology, Cleveland, OH

Co-Director, Adult ECMO Program, 1998-2006 University Hospitals of
Cleveland, OH

Institutional Review Board, 2000-06, Southwest General Hospital,
Middleburgh Heights, OH

Critical Care Committee 2003-06
St John Westshore Hospital, Westlake, OH

21st Century Cardiac Surgical Society Representative to STS/AATS Corporate
Roundtable, 2002-04

Delegate to Ohio State Medical Association from 5th District, 2000-03

Cancer Committee
Southwest General Hospital, Middleburg Hts. OH 2000-06

Board of Directors Northeastern Ohio Universities Medical University
Alumni Association 2003-present

Ad-hoc committee of the Society of Thoracic Surgeons RUC Committee,
Chicago IL, July 2005

Director Thoracic Surgery Residency Program, 2005-06 University Hospitals of
Cleveland, Case Western Reserve University

Chairman of Cardiac Surgery Morbidity and Mortality Committee
ST John Westshore Hospital, Westlake, OH, 2003-06

Member Committee to Investigate combined Cardiovascular Disease Department
ST John Westshore Hospital, 2003-05

Cancer Committee,
Louis Stokes VAMC Cleveland 2007-present

Institutional Review Board,
Louis Stokes VAMC Cleveland 2007-present

Acting Chief of Surgery
Louis Stokes VAMC Cleveland, May-June 2006

Search Committee for Cardiology Section Chief
Louis Stokes VAMC, Cleveland, OH. 2007

Search Committee for Chief of Surgical Service
Louis Stokes VAMC, Cleveland OH, 2008-09

Co-chair Surgical ICU Committee
Louis Stokes Cleveland VAMC, Cleveland, OH, 2008-09

Member, Critical Care Council,
Louis Stokes VAMC, Cleveland, OH, 2009-present

Member, Transfusion Committee
Louis Stokes VAMC, Cleveland OH, 2009-present

Member, Board of Directors Northeastern Ohio Medical University Foundation
Board, Rootstown, OH 2012-present

Co-Chair, VISN 10 Surgery Sub-council 2011-present

Co-Chair VISN 10 Capitol Equipment Purchasing/ Planning Council

VISN 10 Health Systems Council 2012-present (co-chair Surgery)

Member, Committee on Directors, NEOMED Foundation Board 2012-present

Member, Search Committee for Associate Director of Patient Care Services/
Nursing Service, Louis Stokes VAMC 2011

Chair OR Steering Committee
Louis Stokes VAMC, Cleveland, OH, 2012-present

Member, Search Committee for Nursing Director of Ambulatory Surgery Center, Louis Stokes, Cleveland, OH VAMC, 2013

Member, Search Committee Chief of Surgery CWRU SOM 2014

Medical Executive Committee Louis Stokes VAMC 2013-present

Residency Education Committee CWRU General Surgery Residency 2013-present

CYO Basketball coach Lakewood Catholic Academy 2006-present

Baseball Coach Four Corners Baseball League Cleveland Ohio 2004-07

Editorial Activities:

Reviewer, Chest

Ad-hoc Reviewer, Surgery

Reviewer Annals of Thoracic Surgery

Reviewer Journal of Thoracic and Cardiovascular Surgery

Reviewer Journal of Heart and Lung Transplantation

Reviewer JAMA Surgery

Industrial Activity:

Speaker Bureau, Zymogenetics Inc. 2009-2013

Scientific Advisory Board, Genzyme (beating heart surgery) 1999-2003

Clinical Proctor, beating heart surgery, Genzyme Inc. 1999-2003

Honors and Awards:

Who's Who of American College and University Students 1977-79

Recipient: Rev. Paul J. O'Connor Upper Classman Scholarship
Xavier University, Cincinnati, Ohio 1978-79

Recipient: "The Golden Stethoscope Award"
Outstanding Resident Teacher 1989
Medical College of Pennsylvania

Nominated: Caves Award for Young Investigators
International Society for Heart and Lung Transplantation 1994

Nominated: Paul Samson Young Investigator Award Western Thoracic Surgical Association, 1994

Scientific Program Director/ Bylaws-Membership Chairman 21st Century Cardiac Surgeons 1994-96

Member Strathmore's Who's Who, 1998

Vice President: 21st Century Cardiac Surgical Society 1997-99

President: 21st Century Cardiac Surgical Society 2000-2002

Member: Cambridge's Who's Who 2007-08

Department of Veterans Affairs Performance Award 2007

Honors and Awards (to students and residents under my supervision):

Alpha Omega Alpha Medical Honor Society Award 1996, to A.L. Rovner
The Irwin H. Lepow Student Research Day
Case Western Reserve University

1st Place: Post Graduate Student Paper Competition 1996, to A.L. Rovner
15th Southern Biomedical Engineering Meeting
Dayton, Ohio

C. Walton Lillehei Resident Research Forum, 81st Annual Meeting of the
American Association of Thoracic Surgery, San Diego Ca. May 2001 to N.
Hedayati, M.D.

Memberships:

Affiliate Member, American College of Cardiology
Pittsburgh Thoracic Society
Affiliate Member, The American College of Chest Physicians
Fellow, The American College of Surgeons
Society of Thoracic Surgeons
International Society Heart and Lung Transplantation
American Heart Association
Academy of Medicine of Cleveland
American Medical Association
21st Century Cardiac Surgical Society – Founding Member
International Functional Electrical Stimulation Society
Association for Academic Surgeons
Cleveland Surgical Society
American Society of Artificial Internal Organs
George J. Magovern Surgical Society
Central Surgical Association
Ohio State Medical Association

Innominatum Society
 Pasteur Club
 Association of VA Surgeons
 International Society for Minimally Invasive Cardiac Surgery
 CTS Net
 European Association for Cardiothoracic Surgery

PUBLICATIONS:

Patents:

Benton K, Cmolik BL, Weinert R. Catalyst useful for the polymerization of Alpha-Olefins. U.S. Patent #4415474, 1983

Peer Reviewed Manuscripts:

Presentations:

1. “The Heat of Combustion of Triphenylantimony and Its Derivatives.” The Student Affiliate Chapter Meeting of the American Chemical Society, The College of Wooster, Wooster, Ohio, March 1979
2. “The Use of the External Skeletal Fixation in the Management of Pelvic Ring Fractures.” First place - Clinical Research, Residents Research Competition of the Southwest Pennsylvania Chapter of the American College of Surgeons, Pittsburgh, Pennsylvania, November 1986
3. “The Diagnosis and Management of Primary B-Cell Lymphoma of the Lung.” Pittsburgh Thoracic Society, February 1987
4. “The Use of the External Skeletal Fixation in the Management of Pelvic Ring Fractures.” Second Place, The American College of Surgeons Trauma Competition, Hershey, Pennsylvania, March 1987
5. “The Use of the External Skeletal Fixation in the Management of Complex Pelvic Ring Fractures.” The American Trauma Society, Washington, DC, May 1987
6. “The Diagnosis and Management of Atrial Septal Defects in the Adult.” Cardiology Conference, Allegheny General Hospital, Pittsburgh, Pennsylvania, November 1990

7. "Transesophageal Echocardiography in the Diagnosis of Acute Traumatic Tears of the Descending Aorta." Pittsburgh Thoracic Society, Pittsburgh, Pennsylvania, February 1991
8. "Ventricular Aneurysms and Pseudo aneurysms - Diagnosis and Management." Cardiology Conference, Allegheny General Hospital, Pittsburgh, Pennsylvania, March 1991
9. "Current Trends in the Management of Aortic Valve Disease." Thoracic Surgery Conference, Allegheny General Hospital, Pittsburgh, Pennsylvania, April 1991
10. "Cardiomyoplasty: Results, Indications, and Expectations." Workshop Demonstration of Cardiomyoplasty in the Canine Model, Allegheny General Hospital, Pittsburgh, Pennsylvania, November 1991
11. "The Use of the Heterotopic Lung as an Auxiliary Oxygenator and Ventilator in the Canine Model." Board of Allegheny Heart Institute, Pittsburgh, Pennsylvania, December 1991
12. "Factor V Deficiency in Redo Cardiac Surgery Associated with the Use of Topical Bovine Thrombin." Pittsburgh Thoracic Society, Pittsburgh, Pennsylvania, February 1992
13. "Redo Cardiac Surgery: Late Bleeding Complications from Topical Thrombin Induced Factor V Deficiency." American Association for Thoracic Surgery, 72nd Annual Meeting, Los Angeles, California, April 1992
14. "Heterotopic Lung Transplant: Temporary Support for Gas Exchange in ARDS." Allegheny-Singer Research Institute/St. Christopher's Hospital for Children Joint Research Day, Philadelphia, Pennsylvania, May 1992
15. "Heterotopic Lung Transplant: Temporary Support for Gas Exchange in ARDS." Allegheny General Hospital Resident Research Day, Pittsburgh, Pennsylvania, June 1992
16. "Heterotopic Lung Transplantation: Temporary Support for Gas Exchange in ARDS." Pennsylvania Association for Thoracic Surgery Resident Competition, Farmington, Pennsylvania, September 1992
17. "Measurement of Left Ventricular Volume Using Conductance Catheter and Sonomicrometric Techniques." Cardiology Conference, Allegheny General Hospital, Pittsburgh, Pennsylvania, September 1992
18. "The Use of Heterotopic Lung Transplantation for Temporary Support of Gas Exchange in ARDS." American College of Surgeons Surgical Forum, New Orleans, Louisiana, October 1992
19. "Dynamic Cardiomyoplasty; New Options in the Surgical Treatment of Congestive Heart Failure." Surgery Today televised conference, Case Western Reserve University, Cleveland, Ohio, September 1993
20. "Surgery for Congestive Heart Failure. Combined Surgical Conference, Trumbull Memorial Hospital, Warren, Ohio, September 1993
21. "Correction of Chest Wall Defect in a Neonate with Poland's Syndrome". American College of Surgeons, San Francisco, California, October 1993

22. "The Use of Skeletal Muscle for Cardiac Assistance". Surgical Grand Rounds, Turmbull Memorial Hospital, Warren, Ohio, October 1993
23. "New Surgical Option in the Treatment of Heart Failure". Surgical Grand Rounds, Case Western Reserve University, Metro health Medical Center, Cleveland, Ohio, November 1993
24. "Successful Very Low Energy Atrial Defibrillation Using Temporary Stainless Steel Wire Electrodes". The Western Thoracic Surgical Association, Squaw Valley, Ca., June 1994 *Samson Award Nominee
25. "Update on Prosthetic Valve Replacement". Cardiology Grand Rounds, Case Western Reserve University, Cleveland, Ohio, February 1995
26. "Peristaltic Aortomyoplasty - A new Application of Skeletal Muscle Cardiac Assistance". Central Surgical Association, Cleveland, Ohio, March 1995
27. "Mechanical and Biological Circulatory Assistance". Cardiology Fellows Lecture Series, Case Western Reserve University, Cleveland, Ohio, April 1995
28. "A Novel Method for the Management of Postoperative Atrial Arrhythmias". 21st Century Cardiac Surgery Society, Boston, Mass., April 1995
29. "A History of Myocardial Protection". Anesthesia Core Conference, Case Western Reserve University, April 1995
30. "A New Muscle Wrap Configuration Increases the Effectiveness of Aortomyoplasty" 1st Annual meeting of the International Society for Functional Electrical Stimulation, Cleveland, Ohio May 1996
31. "Optimizing Muscle Wrap Orientation for Aortomyoplasty" 10th International Congress Cardiostim 96. Nice France June 1996
32. "Optimizing Aortomyoplasty Performance Using Muscle Wrap Geometry" American College of Cardiology, Anaheim Ca., March 1997
33. "Beneficial Effects of Aortomyoplasty are Maintained Following Chronic Muscle Conditioning", 5th World Congress on Heart Failure, Washington, D.C., May 1997
34. "Direct Measure of Coronary Blood Flow After Aortomyoplasty in a Chronic Heart Failure Model" American Heart Association, Orlando, Fla. Nov. 1997
35. "Direct Evidence of Increase in Coronary Artery Blood Flow after Aortomyoplasty in a Chronic Heart Failure Model" Cardiostim 98, Nice, France
36. "Selective Stimulation of Latissimus Dorsi Muscle During Aortomyoplasty in a Chronic Heart Failure Model" Biomedical Engineering Society 1998 Annual Meeting, Oct 11,1998, Cleveland, Ohio Chapter of the Mended Hearts November 2003 Cleveland Ohio
37. Advances in Cardiothoracic Surgery. Cardiology Update St. Vincent Charity Hospital May 17 2003 Off-pump cardiac surgery as an alternative to conventional revascularization techniques. Northeastern Ohio

38. Off-pump cardiac surgery as an alternative to conventional revascularization techniques. Northeastern Ohio Chapter of Mended Hearts. Nov. 2003
39. The role of MAP kinases in myocardial protection. 21st Century Cardiac Surgical Society, Orlando Fla. Feb. 2003
40. Skeletal Muscle Cardiac Assist. Cardiothoracic Surgery Grand Rounds; University Hospitals of Cleveland May 2005
41. Update on Cardiac Surgical Innovations, Southwest General Health Center, Nursing/Perfusion Conference. March 2006
42. Development of a Novel Heart Valve Tissue Engineering with Incorporated Cytokine Delivery. American Heart Association, New Orleans La. 2008 (poster)
43. Development of Polymer-Based Heart Valve Tissue Engineering Scaffolds with Growth Factor Delivery. Material Research Society Meeting, Boston, Ma. Dec. 2, 2008
44. Bio-Inspired Tissue Engineering Scaffolds for Heart Valves. Material Research Society, Boston, Ma., Dec. 4, 2008
45. Scaffold Manufacturing for Tissue Engineering. 29th ISHLT meeting. Paris, France April 2009 poster
46. Immune Mediated Coagulopathies. Charleston W Va. May 2009
47. The Development of Novel Biologically Inspired Scaffolds for Heart Valve Tissue Engineering. The Society for Heart Valve Design, Berlin Germany June 27-31, 2009. (Poster)
48. Measurement of Serum Vancomycin Levels After Topical Application During Cardiac Surgical Procedures. 38th Annual Meeting of the Association of VA Surgeons, New Haven CT, April 2013.
49. Replacement of Ascending Aorta for Aneurysmal Disease: Retrospective Review of a Single Center Experience. 38th Annual Meeting of the Association of VA Surgeons, New Haven CT, April 2013
50. A Comprehensive VA Tele-Surgery Program Reduces Patient Travel and Saves Travel Reimbursement Cost. 38th Annual Meeting of the Association of VA Surgeons, New Haven CT, April 2013
51. Survivorship Care for Veterans: Addressing the Unique Needs of Veteran Survivors. Oncology Nursing Society. Orlando, FL, April, 2015
